Dear Miss Heartwell:

Proposed Increment No. 199
to the City of Long Beach

At the meeting held April 29, 1964, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Atlee S. Arnold, Deputy City Attorney, with his letter filed April 13 for the proposed annexation of territory to the City of Long Beach.

The boundaries submitted conform with record lines and existing and proposed city boundaries. No island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
